

Leader and Teacher Literacy Cohorts

By specific request from regional school leaders, we are offering literacy cohorts for school leaders and teachers. Each cohort will focus on deepening the learning and application of literacy best practices, appropriate for each grade level band or content area.

The intention is that these sessions will be co-created with participants. Topics for each learning session might include:

- exploration of specific literacy practices such as evidence-based vocabulary instruction, background knowledge, summarizing, guided reading, writing across content, structured literacy, etc
- fidelity of implementation of your guaranteed and viable instructional model
- data cycles - what to collect? how to collect? when to collect? how to look at data to make instructional decisions?
- MTSS - Where, When, and How interventions align and connect with core
- a look at the new ELA standards

Time out of the classroom is precious, so we will do our best to make this time valuable. Each session will include:

- shared learning, exploration, and discussion
- activities, examples, tools, & resources to use in the classroom or with your team
- sharing of examples and ideas from participants
- time to collaborate and plan with colleagues

School leaders are encouraged to attend for their own learning and to plan and support teachers with implementation. If leaders have teachers joining multiple cohorts, you are invited to attend when you can.

CEUs: Teacher CEUs will be provided after each session. These CEUs will apply to the reading requirements for MN Teaching License renewal.

Where: NESCC Service Cooperative, with the potential for rotating locations to participating schools.

Audience: grade level and content teachers, special education teachers, district curriculum, teaching / learning directors or coordinators, instructional coaches, principals, other building administrators

When:

8:30am - 3:30pm

*Includes a 1 hour lunch break. Lunch will not be provided.
